Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;** however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Sundale Union Elementary School utilizes federal funds to support meeting the goals set forth within the LCAP to enhance and support the services to all of our students. Title I supports Goal 1 Action 1 with supporting student core curriculum and support resources. Goal 3 Action 3 is also supported by Title I with the Technology support staff. Title II supports Goal 1 Action 6 with providing new teacher support to Sundale's teachers as well as Goal 1 Action 6 with professional Development for staff and support materials to assist with teaching the core curriculum. Title III supports Goal 2 Action 2 by providing personnel to support our English Learners as well as additional materials and supplies for the students. Title IV supports Goal 4 Action 5 with personnel and supplies to provide our students with enrichment activities offered at lunch and after school. Title V funds support Goal 1 Actions 3 and 5 with supporting our students with the intervention programs provided as well as the Core Curriculum Coordinators to support our staff with providing the necessary training.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Federal Funds received are aligned with the goals established within the LCAP to better serve our populations of students from the students of poverty to our English Learners.

A. Sundale has established programs to support students to meet the academic needs such as Response to Intervention strategies, Reading Academy, Tutoring, Math Academy, and Summer School.

B. The teachers along with the administration monitor student's progress continually through the District Data system, meeting to evaluate progress and Individual Learning Plans.

C. Assistance is provided to students through tutoring, summer school, RTI classes, small group instruction, and reading/math academy.

D. Instructional Aides support students in small group instructional through the Response to Intervention Process as well as Response to Intervention Teacher study teams collaborating to meet the student's needs.

Sundale supports the learning of their teachers by inviting them to attend many trainings offered at the Tulare County Office of Education as well as having Consultants from the County Office work with our teachers in small groups on campus. Teachers are also trained outside of the County as trainings are available.

Sundale has a parent liaison on campus as well as a teacher who is the Parent DELAC coordinator to provide education to our parents (6 times per year). The Parent Liaison invites parents to volunteer on campus one time a month, this promotes the efforts of working as a team with our parents. In addition, the Sundale Foundation in conjunction with Sundale, provides education to parents in their community. This opportunity assists parents who may have transportation restrictions. The Sundale PTO offers translating with all parent education efforts made throughout the year at their meetings.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.
