Sundale Sports Boosters have established a scholarship fund for students who have graduated from Sundale School and are now graduating from High School. We intend on awarding 1-3 - \$500 scholarships this year. Awards will be made on the basis of the application with no preference being given to a particular high school. The criteria for the award will be:

Student must be a graduate from Sundale School District,
Student must have at least a 3.0 overall GPA (**attach transcripts or last report card**),
Student must use the funds for extended education after high school (college, technical/vocational, university etc.),
Student must have participated in Sundale sports for a minimum of 2 years and 4 sports,
Student must have participated in High School sports for 3 years,
Students must submit this application with a 2 page, typed essay described below.

Application Process:

The application and essay will be scored and ranked from greatest to least points which will decide who will receive a scholarship.

Student must submit the completed attached form and a written essay to the Sundale Sports Booster committee covering the following two topics:

How participating in the sports programs at Sundale and high school has impacted your life and how you will use that to make a difference for others in the future.

(Applications are due to the Sundale School District Office by March 15, 2024.)

Sincerely,
Cindy Gist
