Principal's Message

Sundale Union Elementary School District is a single-school district located in the southern portion of the San Joaquin Valley. The school is located 5 miles from the city of Tulare and serves a rural population of students in grades TK-8. The total attendance area covers approximately 24 square miles. It is largely a farming and dairy community.

I am proud to say that Sundale Elementary School is a school that recognizes character development. Sundale has been awarded the Bonner Center for Character Education Virtues and Character Education Award for the following years: 2010, 2012, 2014 and 2018. All six of the Character Counts! Pillars are celebrated throughout the year with staff choosing students who represent the character pillar well.

In addition to teaching to the California State Standards, teachers work to teach to each individual student's needs, academically and/or social/emotional. Sundale has various activities and extracurricular events for students to participate in outside of the classroom, which assists students in finding their place at Sundale.

School Mission Statement

Committed to moral integrity; academic excellence; and the development of self-worth for students, staff and community.

Parental Involvement

Parents are encouraged to become a part of the educational process at Sundale School by volunteering on campus and being involved in their child's education. This may include working in the classroom under the teacher's direction, preparing learning materials, assisting with our school library, assisting on field trips or tutoring individual students. Once a month, child care is provided for those parents needing to take advantage of it for their younger children. This allows parents to volunteer at the school.

The Parent Teacher Organization (PTO), School Site Council (SSC), District English Learner Advisory Committee (DELAC), and a variety of other committees—PTO subcommittees, Dad's Club, sports and band boosters—meet regularly, and all parents are welcome to attend. Parent workshops are scheduled during the year, with the topics being those requested by the parents. Child care is provided for these trainings. If there is a need, parent meetings are translated in Spanish, to ensure all parents feel welcome. Parents are encouraged to sign up at the beginning of the year in an area that most interests them to become involved.

For more information on how to become involved at the school, please contact PTO president Robyn Leonardo at (559) 688-7451.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Believe, Achieve, Succeed!

Enrollment by Student Group

The total enrollment at the school was 827 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

Types of Services Funded

The types of programs and supplemental services that are provided at Sundale are:

- Title I
- Tutoring
- Gifted and Talented Education (GATE)
- English Language Learner Program
- Class Size Reduction (K-3)
- Reading Academy
- Math Academy
- Summer School
- Ag Education
- Fine Arts (Band, Music, Ceramics, Jazz Band, Music Theater)
- Physical Education

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Grade	Three-Year Data								
	2015-16			2016-17			2017-18

CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

All of Sundale's textbooks and curricula are aligned to the most recent curriculum framework. Each student has access to a textbook for school and home use.

Curriculum is selected by the curriculum committee along with administration who review all the state-adopted texts or curriculum used. The selection is narrowed down before being taken to the staff for their top three choices. The top choice is taken to the School Site Council (SSC) for approval and then to the Local Governing Board to be adopted by the district.

With the new Common Core State Standards, all resources used are research based and have been approved by the SSC and Local Governing Board. Teachers have developed a Scope and Sequence for their grade level for each curricular area.

The middle school students are offered elective classes in music theater, careers, reading academy, cinematography, Advanced Technology, agriculture science, ceramics, physical education, band, multimedia, foreign language and mixed media. Students in grades TK-5 are involved in art, ag science, computers, music program, poetry and prose, and physical education activities.

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	
2018-19 School Year	
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject		2018-19 School Year

School Facilities

The custodians and maintenance crew report all school facilities needs in a prompt manner to the administration. The school is cleaned every day, including the classrooms, bathrooms, multipurpose room and office. The administration meets with the maintenance manager each week to discuss repairs and other necessary items regarding the school facility.

Sundale Elementary School was built around 1945. The school has 33 classrooms. In addition, students have access to use two science labs, two computer labs, a library, a multipurpose room, a resource room, an English-learner room and a reading lab.

In addition, students in grades 6-8 have access to a multimedia classroom that is used for elective classes. In this classroom, which is located at our Sports Complex, the students learn how to create and present multimedia videos.

The Sundale Trading Post continues to be open this year and has been successful with sales of coffee, Italian soda, baked goods and gift items. The Ag students are learning how to successfully run a business and the importance of customer service.

Staff members are on campus at 7:50 a.m. to monitor students on the playground in the morning, and they are also there until students are dismissed at 3:15 p.m.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status		2018-19 School Year
Items Inspected	Repair Status	
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good	
Interior: Interior surfaces (floors, ceilings, walls and window casings)	Good

School Safety

Sundale's school safety plan is evaluated on a yearly basis by the Safety Committee. The cooperation of nearby neighbors is excellent. Community members notify the school or the police department when anyone is observed loitering during the school day or evenings. The campus is used regularly by the community, which leads to a sense of ownership by all. As a result, vandalism is almost nonexistent. Campus security is coordinated with the local law enforcement.

Emergency evacuation drills are conducted once a month. Duck-and-cover drills are conducted three times a year, with a lockdown and bus-evacuation drill conducted once a year.

Procedures are in place for responding to a number of crisis situations.

There are procedures in place to inform parents of any emergency situations. Sundale has a full-time counselor on campus to assist with any students in need of counseling sessions as well as one part time counselor.

The school safety plan was last reviewed, updated and discussed with the school faculty in August 2018.

"I am proud to say that Sundale Elementary School is a school that recognizes character development."

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. Professional Development

Teachers are being trained on utilizing data management system to analyze results of student assessments and as well as the results received from other district programs and assessments. Staff-development trainings are planned to take place for all curricular areas, in addition to working with our special populations of students. Staff-development trainings will take place the first two days back in August, on Mondays during the scheduled early release days, and on October 8. Teachers receive support from the administration, the curriculum leaders and Tulare County Office of Education consultants for all professional development.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2016-17 Fiscal Year	
Total expenditures per pupil	\$8,748
Expenditures per pupil from restricted sources	\$1,256
Expenditures per pupil from unrestricted sources	\$7,492
Annual average teacher salary	\$73,065

Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Financial Data Comparison	2016-17 Fiscal Year	
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Sundale ES	\$7,492	\$73,065
Sundale Union ESD	\$7,492	\$73,065
California	\$7,125	\$63,218
School and district: percentage difference	◆	◆
School and California: percentage difference	+5.2%	+15.6%

◆ The percentage difference does not apply to single-site districts.

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2018.
