### Principal's Message

Sundale Union Elementary School District is a single-school district located in the southern portion of the San Joaquin Valley. The school is located 5 miles from the city of Tulare and serves a rural population of students in grades TK-8. The total attendance area covers approximately 24 square miles. It is largely a farming and dairy community.

I am proud to say that Sundale Elementary School is a school that recognizes character development. Sundale has been awarded the Bonner Center for Character Education Virtues and Character Education Award for the following years: 2010, 2012, 2014 and 2018. All six of the Character Counts! Pillars are celebrated throughout the year with staff choosing students who represent the character pillar well.

In addition to teaching to the California State Standards, teachers work to teach to each individual student's needs, academically and/or social/emotional. Sundale has various activities and extracurricular events for students to participate in outside of the classroom, which assists students in finding their place at Sundale.

#### School Mission Statement

Committed to moral integrity; academic excellence; and the development of self-worth for students, staff and community.

#### Parental Involvement

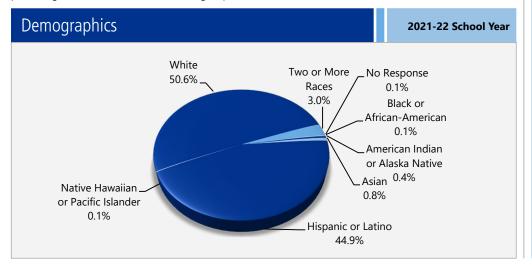

Parents are encouraged to become a part of the educational process at Sundale School by volunteering on campus (with the exception of during the Pandemic) and being involved in their child's education. This may include working in the classroom under the teacher's direction, preparing learning materials, assisting with our school library, attend field trips or tutoring individual students. Once a month, child care is provided for those parents needing to take advantage of it for their younger children. This allows parents to volunteer at the school.

The Parent Teacher Organization (PTO), School Site Council (SSC), District English Learner Advisory Committee (DELAC), and a variety of other committees—PTO subcommittees, Dad's Club, sports and band boosters—meet regularly, and all parents are welcome to attend. Parent workshops are scheduled during the year, with the topics being those requested by the parents. Child care is provided for these trainings. If there is a need, parent meetings are translated in Spanish, to ensure all parents feel welcome. Parents are encouraged to sign up at the beginning of the year in an area that most interests them to become involved.

For more information on how to become involved at the school, please contact PTO president Lisa Baesemann at (559) 688-7451.

### **Enrollment by Student Group**

The total enrollment at the school was 793 students for the 2021-22 school year. The pie chart displays the percentage of students enrolled in each group.

### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Believe, Achieve, Succeed!

### Enrollment by Grade

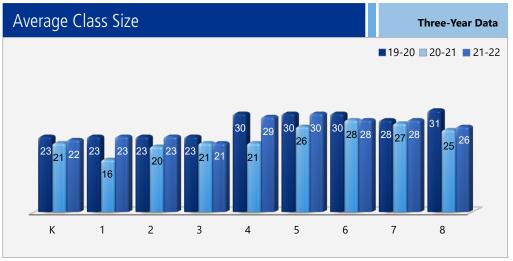

The bar graph displays the total number of students enrolled in each grade for the 2020-21 school year.

### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### School Safety

The Safety Committee evaluates Sundale's school safety plan on a yearly basis. The cooperation of nearby neighbors is excellent. Community members notify the school or the police department when anyone is observed loitering during the school day or evenings. The community regularly uses the campus, which leads to a sense of ownership by all. As a result, vandalism is almost nonexistent. Campus security is coordinated with the local law enforcement, in addition to surveillance cameras installed throughout the campus.

Emergency evacuation drills are conducted once a month. Duck-and-cover drills are conducted three times a year, with a lockdown and bus-evacuation drill conducted once a year.

Procedures are in place for responding to a number of crisis situations.

There are procedures in place to inform parents of any emergency situations. Sundale has two full-time counselors on campus to assist with any students in need of counseling sessions.

The school safety plan was last reviewed, updated and discussed with the school faculty in August, 2022.

### Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates collected between July through June, each full school year respectively.

Expulsion rates	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

Suspension rates	0.0%	0.0%	2.5%
Expulsion rates	0.0%	0.0%	0.1%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard. org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Types of Services Funded

The types of programs and supplemental services that are provided at Sundale are:

- Title
- Tutoring
- Gifted and Talented Education (GATE)
- English Language Learner Program
- Class Size Reduction (K-3)
- · Reading Academy
- Math Academy
- Summer School
- Ag Education
- Fine Arts (Band, Music, Ceramics, Jazz Band, Music Theater)
- Physical Education

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

### SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- · Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- · Uniformly administered across a grade, grade span, school, or district to all eligible students.

### **Options**

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- · Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

## CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

- ${\color{red} \blacktriangle}$  This school did not test students using the CAASPP for Science.
- ★ Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

#### Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the **Smarter Balanced Summative Assessments** for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### Textbooks and Instructional Materials

All of Sundale's textbooks and curricula are aligned to the most recent curriculum framework. Each student has access to a textbook for school and home use.

Curriculum is selected by the curriculum committee along with administration who review all the state-adopted texts or curriculum used. The selection is narrowed down before being taken to the staff for their top three choices. The top choice is taken to the School Site Council (SSC) for approval and then to the Local Governing Board to be adopted by the district.

With the new Common Core State Standards, all resources used are research based and have been approved by the SSC and Local Governing Board. Teachers have developed a Scope and Sequence for their grade level for each curricular area.

The middle school students are enrolled in elective classes such as: music theater, careers, cinematography, Advanced Technology, agriculture science, ceramics/art, physical education, band, multimedia, foreign language and mixed media. Students in grades TK-5 are involved in art, ag science, computers, music, physical education and other Tulare County Office of Education Student Events.

Starting with the 2021-22 school year Sundale offers one to one portable technology devices in all grades. Families are also able to check out a chrome book for use at home.

### **Public Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

### **Deficiencies and Repairs**

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		202	22-23 School Year
Items Inspected	Deficiencies and Action Taker	Date of Action	
Systems	Need new AC units. New AC units ordered, planning for install January 2023.		January 2023

### **School Facilities**

The custodians and maintenance crew report all school facilities needs in a prompt manner to the administration. The school is cleaned every day, including the classrooms, bathrooms, multipurpose room and office. The administration meets with the maintenance manager each week to discuss repairs and other necessary items regarding the school facility.

Sundale Elementary School was built in 1945. The school has 33 classrooms. In addition, students have access to use two science labs, two computer labs, a library, art room, a multipurpose room, a resource room, an English-learner room and a reading lab.

In addition, students in grades 6-8 have access to a multimedia classroom that is used for elective classes. In this classroom, which is located at our Sports Complex, the students learn how to create and present multimedia videos.

The Sundale Trading Post continues to be open selling smoothies, coffee, Italian soda, baked goods and gift items. The Ag students are learning how to successfully run a business and the importance of customer service.

Staff members are on campus at 7:50 a.m. to monitor students on the playground in the morning, and they are also there until students are dismissed at 3:15 p.m.

### Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. This table displays the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district, and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at https://www.ctc.ca.gov/.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

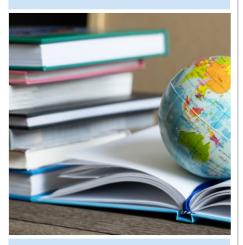

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at https://www.cde.ca.gov/ds/sp/cl/calpadsupdflash201.asp.
