- IV. **Program Highlights:**
  - a. **LCAP update- presented by Joy Farkas:** video review in December/January. It'll show what was spent in those categories and different roles. Cindy Gist shared that LCAP stands for Local Control Accountability Plan; receive funding that needs to be used towards students that are unduplicated
  - b. **EL update- presented by Mackenzie Souza:** Flashlight 360 has started with Mrs. Jamaica's groups and some teachers might be using. It has been a good tool to use to see where they're at in the speaking and writing portions. Some of the ELPAC training opened up so Mrs. Souza started that so they can start testing in February
- V. **Action Updates**
  - a. **None**
- VI. **Student Representative Report (Zak Rodriguez/Gia Freitas):**

They just had the first rally of the year. It went pretty well; the energy was good. Everything went smooth. They also had a dance with 80 students in attendance. They made \$158 including snack bar and ticket price. \$900 starting and spent \$720 on DJ, food and decor. Red Ribbon week is in two weeks for anti bullying and anti drugs. They spent \$500 on incentives. The \$500 is from the snack shack.
- VII. **Advisory, Curriculum & Instructional Updates**
  - a. **Math Strategies (Carrie Martinez) -**  
Common Core:

Kindergarten: composing and decomposing to 10; fluently add or subtract within 5; using unifix cubes making all number combinations; showing them addition and subtraction

1st grade: using ten frame; get 10 dots red and yellow; making all number combinations within 10; showing them addition and subtraction

2nd grade: using twenty frame; fill up board with unifix cubes; roll the dice to subtract or add with number rolled on dice; fluency adding and subtraction within a thousand

3rd grade: start adding on a number line

Photomath app to help solve problems from 4th grade on up

**b. Reading Lab Strategies (Linda Allen)** - students that come to reading lab are below grade level for reading for one reason or another. Students are assessed at the beginning of the year to figure out who is going to be chosen for reading lab. Those students then attend sessions for about 8 weeks where they will exit out or they might need more time.

Use project read program: it's a visual, auditory and kinesthetic program
